Dear Dr. Takahashi,

You have been selected as one of the most valued reviewers of 2019 by the Editors of *Life Sciences in Space Research* congratulations once more! On behalf of the Editors and Elsevier, I would like to express our great appreciation for your commitment to our journal. Without the help of our reviewers it would not be possible to organize a rapid and efficient editorial process and to maintain the high standards of our journal.

You may have seen that your name is listed as most valued reviewer on the [Journal's homepage](#). Also, as a small token of our appreciation, I am delighted to offer you an Amazon gift voucher. Given your geographical location – and with apologies for the delay, I am sending you a gift voucher code worth JPY 5000 that is redeemable at <https://www.amazon.com/>

I sincerely hope that we can rely on your continued support in 2020 and beyond, and wish to thank you once more for all your efforts so far.
